## PITTMAN SAYS NEVADA DESIRES FREE TRADE

NEVADA SENATOR ALSO FAVORS REDUCTION OF DUTY ON CYANIDE.

Senator Pittman in his evidence before the lobby investigating committee in Washington said he had received thousands of letters urging him to oppose the free wool and sugar schedules, but declared that 90 per cent of the people of Nevada were in favor of free wool and sugar. Mr. Pittman's statement was in striking contrast to that of all other democratic senators, who have uniformly defended the right of people to protect against tariff changes that threatened to injure their home industries.

Mr. Pittman said he was financially interested in an ore mill where a great deal of cyanide is used, and that he had requested the subcommittee to reduce the duty on cyanide because he had to pay \$3 a ton more for it here than the same article sells for in Mexico. This, he said, he did not consider lobbying.

## GOLDFIELD TO HAVE CELEBRATION ON JULY FOURTH

TONOPAH IS INVITED TO PARTICIPATE AND COMPLIMENT TO BE RETURNED.

Goldfield is arranging for an elaborate celebration on July fourth, according to Harry Grier, who was in Tonopah yesterday. It is planned to raise a fund of about \$1200 which will be used only for prize distribution.

According to the plans under way Tonopah will be invited to participate in the celebration, providing this city does not hold a like affair. All sports will be competed by Tonopah and Goldfield entries. The program will call for baseball, tug of war, foot races, motorcycle races and in fact every event that usually goes to provide entertainment on the nation's natal day.

In return for Tonopah visiting Goldfield on the fourth, the residents of the southern city are declared pledged to return the visit on the following fourth or on labor day, providing this city has a celebration on the last named date.

Grier interviewed a number of local business men and the majority declared in favor of the proposition.
